

## **Create Poetry during AUGUST & SEPTEMBER for 2022 Arts Dundas "Art Walk"**

Tower poets are invited to **create poetry in response to the work of Carnegie Gallery member artists during the months of AUGUST and SEPTEMBER** for Arts Dundas 2022 storefront display.\*

TPS members wishing to participate are invited to visit the **Carnegie Gallery** in downtown Dundas **during August or September** to select one or two artworks by Carnegie member artists for creating poetry in response.

[Note: Eleanore Kosydar and Gaiyle Connolly continue as poetry co-coordinators for this event.]

**During August the Atrium Gallery on the lower level** will feature **Carnegie member artists' artworks**; all will be eligible for the 2022 Art Walk. Main exhibits will NOT be eligible in either August or September, as these are to feature guest artists only. However, members' artworks elsewhere in the Carnegie will be eligible during both months.

A **SIGN-UP sheet will be available on the Gallery counter** to avoid duplication of art works.

Please indicate beside your name the artist and artwork(s)  
to which you wish to respond:

**Maximum 2 poems per poet, please  
Maximum 2 artworks per artist in total**

Carnegie Gallery location and hours are available at <https://carnegiegallery.org/>

**Please submit your poems to [info@towerpoetry.ca](mailto:info@towerpoetry.ca)  
or to Eleanore or Gaiyle no later than OCT. 5th !!!**

\* **ARTS DUNDAS WEEK, 2022:** During the first week of November, poems will be displayed in downtown Dundas storefronts alongside the art which inspired them. Participating poets will be notified of the location(s) of their poems once they are on display.

**SUNDAY, NOVEMBER 6<sup>th</sup>** marks the final day of Arts Dundas celebrations.  
Event details\* will be announced in advance on the TPS website, EVENTS page:

<http://www.towerpoetry.ca/>

*\*To be determined: If Covid protocols allow a Guided Tour of displays  
(and possibly a poetry reading in the Carnegie basement),  
the website will provide start times and location*
